BERKELEY

May 19, 1922.

Professor P. A. Munz,
Department of Botany,
Pomona College,
Claremont, California

Dear Sir,

I have been notified from our
herbarium that the specimens of Crepis
which you so kindly sent as a loan have
been received. I have not had time to
go over them as yet, but hope ^{to} next week.

Thank you so much for coming to
my aid with such a generous loan of
material. I shall take care that the
material will be returned in the same
condition as it was in when I received
it.

Thanking you, I am

Very sincerely yours,

Helen Bergfried

Associate in Botany
